

NMS PTO Spring Newsletter

The NMS PTO is closing out the school year on a successful note. We have had a great year and have been able to assist many groups at NMS. Thank you to everyone who supported our activities!

The Meet the Candidates Forum was well attended and very informative. It was a joint effort with the RGS and SGS PTO Boards and an excellent example of Nippersink District 2 working together.

The 9th Annual Variety Show was loads of fun and the kids put on a great show.

Our 8th graders are looking forward to the PTO sponsored Dinner Dance on May 28th. It will be a special night for them to celebrate their middle school years.

Two board positions will be open in the fall. We are currently looking for someone to fill the Vice-President's vacancy as well as a new position called Booster Coordinator.

The Booster Coordinator will be a liaison between the NMS Athletic Director and the parents of athletes. We are looking for someone energetic, who enjoys sports and will be able to work with parents during most sport seasons to recruit volunteers for concession duty. This individual will also be responsible for organizing any special events sponsored by the PTO, like our well loved Dodgeball Tournament.

The PTO will be publishing a combined NSD2 phone directory in the fall. Everyone will receive a consent form to be filled out if you want to be included in the directory. All forms may be turned in at each school's respective walk-in registration days.

Our final meeting will be held Monday, May 18th at 7:30 in the NMS Library. Please join us!
